# PRESIDENT'S REPORT

Serving as the board chair for Water Polo Victoria remains one of the most humbling experiences for me. This year, I had the opportunity to engage more with European water polo officials, and the willingness to support our sport's growth in Victoria is encouraging.

Thanks to the dedication of athletes, coaches, officials, volunteers and parents, we have been able to advance our mission. Whilst our home work is nowhere near done, we are again in a better place today than we were a year ago.

The Water Polo Victoria Board reviewed our strategy in August, that we originally defined at the beginning of 2023. The strategy and related growth pillars are viewed as still the right structure to deliver growth. In 2023, we reached pre-Covid membership levels and in 2024 we were able to grow further. Regarding overall membership, Victoria remained fourth nationally behind the "tier 1" States of NSW, QLD and WA. This is a great outcome of the efforts of the last 12 months.

Focusing on our youngest members has been a continued priority, and building on the successes in 2023, we kept improving the Learn to Water Polo initiative, with support from Water Polo Australia as well. Our U13, U15 and U17 State teams participated in the Nationals Competitions in multiple locations across the country. This event is always a great opportunity to set the benchmark for where Water Polo Victoria needs to be.

Competitiveness is primarily reflected via Nationals and related domestic and international competitions, this is where the Vic High Performance Program is designed to deliver impact, in close collaboration with the clubs. We continued the investment in a dedicated State High Performance Manager and we are further increasing focus on creating performance training sessions. We also restarted the relationship with Victorian Institute of Sport.

Affordability remains a concern of our sport. To this effect, we secured initial sponsorships and we continue to search for longer term financial investment in order to make the sport more affordable for all.

Our sport is largely driven by the clubs. Water Polo Victoria continues to serve the clubs and the community to advance our sport.

There are a great number of people to thank, and I am fortunate to serve with a serious, dedicated group of professionals that have kept our eye on the ball for the last 12 months again. I would like to especially thank our CEO and all the board members who served over my first year. Board service is a major volunteering commitment and my colleagues have taken that commitment seriously and our organisation is better for it.

It continues to be my privilege to serve Water Polo Victoria. Thank you for your partnership and the opportunity.

**Dr. Tom Janoshalmi**  
(President and Board Chairperson)

# CHIEF EXECUTIVE OFFICER REPORT

We are another 12 months along consolidating the organisation with a strong focus on governance being the backbone of getting Water Polo Victoria back on track.

- The constitution was adopted at the 2023 AGM which puts us in good stead moving forward.
- The Water Polo Victoria Strategic Plan was launched at the 2023 AGM which provides a vision for not only the board but all members to understand where Water Polo Victoria wants to go. This also allows us to engage stakeholders both within and external to the sport to assist in achieving our objectives. The operational plan is being actioned behind the scenes to ensure we continue moving forward as a business.
- The release of the 3 year competition calendar, delivered in consultation with clubs, is a great achievement for the sport. Now everyone knows what is coming up and can plan accordingly. It also provides WPV with an opportunity to consolidate facility space well ahead of time.
- Constant review of by-laws and current/non-existent policies is continually taking place to ensure we as a sport strive for best practice.

We travelled to Hobart again with the u13s development event and it was pleasing to have 4 teams again compete. A review of this program is being undertaken to ensure that there are positive outcomes from this program.

Our State Program is becoming more structured and geared towards high performance outcomes. With the structure of the NSC changing for season 2024 the programs are now aimed at ensuring we provide a strong opportunity for our athletes to be competitive. The u15s, u17s, and u19s programs had a mix of results however several individual athletes achieved success within these respective tournaments either through awards or National Squad Selection.

We had another fantastic year of athletes in Aus squads. They represented our state well and we hope to continue this upward trend of individuals being involved in these programs.

The staff that continue to work tirelessly behind the scenes which allows the machine that is Water Polo Victoria run are doing an outstanding job. Thanks as always to Regan Longfield, Perri Randall, and Greig Richardson. As a small team we all have to wear many hats however the feedback I receive from the community is that they do an amazing job sometimes under challenging circumstances.

Regan continues to pursue opportunities for the sport outside of our normal participants. He is constantly engaging schools, facilities and the general community to try and get water polo to be front of mind. With some additional funding provided through some grants we are hopeful of increasing our activities in the junior space (especially female) to increase the participation within our junior competitions.

The competition continues to grow and Perri does a phenomenal job in ensuring everything is humming along nicely. Within the junior summer season, and junior round robin competition we had increased team numbers from the previous season. Perri also delivers any major events such as the Vic Country Championships and the East Coast Challenge that we manage. She also has the unenviable task of managing the national sanctioning policy when things don't go according to plan but the professionalism that is provided in these instances is invaluable.

Spindles continues to provide unwavering support and direction for our coaches and athletes as High Performance Manager. Our academies continue to increase in numbers with for the first time the introduction of a regional academy in Albury/Wodonga being highly successful. We want to continue to support both athletes and coaches on their high performance journey and will continue to seek feedback and support on how to improve these aspects.

As always a huge thanks to all our State/Academy coaches who give many hours of their time and energy to provide athletes with a valuable water polo experience. The experience/improvement the athletes have is a huge part in what you do on pool deck. Water Polo Victoria wants to continue to invest in coaching and wants to provide opportunities for

clubs to engage their coaches in these development opportunities. As always I encourage anyone who is interested in getting involved please do irrespective of what level (club, development etc).

I would like to thank our referees/pool controllers/mentors, they have arguably the toughest roles within the organisation and this is often a thankless role. Similar to coaching we are investing time and effort to their development and education and hopefully with club support we should be able increase our numbers as we grow membership wise.

I could not do my role without the unwavering support of the Board of Water Polo Victoria. As we continue to push forward in our focus we have some intense discussions but the outcomes that we collective deliver are to the benefit of the sport. As always we are on the lookout for good people to join our board in order to ensure our sport moves in the right direction.

I will finish by thanking the membership base of Water Polo Victoria the clubs, committees, volunteers, participants, and parents/guardians. You drive our success, and without your support we wouldn't be able to deliver the many outcomes that we are able to. We look forward to growing this base to allow more and more people the opportunity to play our sport and share in our successes.

I have thoroughly enjoyed my time working within this community and sport. Whilst I'm leaving my position I will continue to watch the growth and development of the organisation from afar and wish the whole community the best of luck going forward.

**Simon Devine**  
(Chief Executive Officer)

# DEVELOPMENT & ACADEMY REPORT

2023-2024 has proved another busy year in the Participation and Development space for Water Polo Victoria. With the development and adoption of our Strategic Plan, our organisation has a clear direction and mandate to increase the number of tangible pathways into our great sport. Below are just a few of the highlights within the Development & Participation space.

A special thanks to my colleagues Simon Devine, Perri Randall and Greig Spindles for all your support, and for the WPV board for championing the work we do.

- The WPV *Learn to Water Polo* pilot program was successfully launched at Aligned Leisure facilities. Almost 30 students engaged in the inaugural program which both taught foundational Water Polo skills and assisted students in reaching their Swim & Survive certification. This program is now under WPA development to roll out nationwide.
- WPV partnered with Sport4All to develop our Inclusion Action Plan, upskill our clubs and develop playing, and participating, opportunities for people with disability.
- Worked with dozens of schools across the state to provide coaches, resources and referees for a variety of programs. These included Water Polo round robins at swimming carnivals, Water Polo PE classes and Flippa Schools programs, engaging over a thousand students.
- 2x Social Sundays Programs for adults. These 5-week programs saw 120+ participants attend to play social polo, showing there is a real appetite for in-formal competition. Dozens of these participants have gone on to register for clubs as well.
- WPV organised competition fixtures and referees for AGSV School competition, which had a total of 24 teams between Years 7 & 12. WPV also coordinated referees for APS competition and GSV finals and rep matches.
- SRV Together More Active Grant funds have been used on several workshops and bodies of work thus far, including Volunteering Victoria, Coach and Referee workshops, regional referee workshops, Child Safety resources and Inclusion workshops.
- Successful application of the Change our Game grant, receiving funds to engage with female schools and grow participation in this cohort.
- Successfully received Play Well funding to develop FlippaBall and Social Water Polo competition moving into 2025.

Through development initiatives, Water Polo Victoria continues to engage with new stakeholders, hold discussions to form lucrative partnerships and collaborate on projects and programs all aimed at increasing the exposure of the sport to as many within the community as possible. In turn, we believe the more tangible opportunities and pathways provided by the peak state body, the more likelihood of return on investment through player growth, brand reputation and engagement.

I would like to thank everyone within the community for their support and vision regarding the importance of development as a key strategic aim of the organisation, particularly in growing the reach and accessibility of the sport to a larger audience. The list above is just some of the work that has been done within this space, and I look forward to working with many more stakeholders to grow this great sport in Victoria.

# ACADEMY & HIGH-PERFORMANCE PATHWAY

Our Elite Pathway programs have enjoyed stability and growth over the last 12 months, numbers remaining consistent and having both established and new coaches has been excellent. There are several new initiatives we have been trialing (outlined below), and we will also look to

The Development program was continued through 2023 and into 2024 and is aimed to provide an entry level for kids (11+) to continue to develop their skills and knowledge within the sport of Water Polo. It also provides a tangible pathway into the more elite WPV Academy program as they develop. WPV also launched a Regional Academy in the Albury/Wodonga region, to much success.

Greig Richardson remained as the High-Performances Manager throughout 2024 and has overseen the entire Elite Pathway, including Academy and Development. We thank Greig for his commitment, passion and wealth of knowledge which has helped both athletes and coaches in 2024

**Participant numbers 23-24 - Academy** (190 total athlete engagements: *Term 3 2023*– 57, *Term 4 2023* – 40, *Term 1 2024* – 44, *Term 2 2024* – 50)

**Participant numbers 23-24 - Development** (54 total athlete engagements: *Term 3 2023*– 17, *Term 4 2023* – 14, *Term 1 2024* – 10, *Term 2 2024* – 13)

## Key Highlights:

- 1. Victoria Phoenix engagement:* WPV have been in discussion with Victoria Phoenix to strengthen ties between Academy and our AWL team. Players from the Phoenix had come down to help train our young talent during early 2024, and we plan on continuing this in future terms.
- 2. Skill and Technique Development:* Our focus on skill and technique development has yielded solid results, as evident by the notable improvements in many of the performances of individual players and the collective performance of their respective teams.
- 3. Coach Pathways:* Both the Academy & Development platforms create a pathway for our coaching talent to increase their skills and experience. Several coaches who have worked within these programs have gone onto coach our state teams and also join the WPA coaching pathway program.
- 4. Regional Academy:* The regional Academy was launched in term 2 of 2024, with almost 70 participants in the inaugural program in the Albury/Wodonga region. Paves the way for potential additional programs in other regional centres.
- 5. Competitions:* State Teams have had good numbers at trials, making selection decisions quite difficult, this can be attributed in part due to a more vibrant Academy. Achieving success in competitions both at the regional and national levels will improve as our athletes' commitment to academy attendance & training intensity improve. One of the goals of the WPV Academy is to advance the culture of player expectations regarding volume and work ethic. We have made good steps in the right direction this year.

Water Polo Victoria looks forward to growing these programs and creating a strong elite pathway and culture of excellence and success!

**Regan Longfield**  
(State Development Officer)

# COMPETITIONS REPORT

## Summer State League Competition 2023-2024 Juniors

Our Juniors played a shorter summer season running throughout term 4, October – December 2023. It was fantastic to have 36 teams competing (an increase of 5 teams on the previous summer competition) in the 12U – 18U age groups. The competition finished with a final day of games at Kardinia Aquatic Centre. Due to the unavailability of Pool Space during Term 1, we were unable to run the proposed Gala days, however, clubs showed interest in continuing a round robin style of competition and we were pleased to have 32 teams competing in this.

## Summer State League Competition 2023 -2024 Seniors

Our main competition for our Seniors ran from October 2023 – March 2024. With 53 Senior teams, it was an exciting period for the water polo. The use of Caulfield Grammar throughout the season and for the final's series provided the opportunity to continue to play the MSL1 competition in a 30m pool. A clash of timing with National League required a change in program to SL1 games, resulting in them being played separately to the rest of the senior finals.

## Autumn/Winter State League Competition 2024

58 Junior and Senior teams took to the water for the Autumn series of games and a laddered final game. It was pleasing to see 18 Junior teams take on the Winter competition of the same format, something that WPV have been working towards for many years, providing juniors players a competition to compete in all throughout the year.

## Other Tournaments

Other events took place in Summer including the much-anticipated Tri-States competition in Geelong, hosted by the Geelong Marlins Water Polo Club. We took the Victorian Country Championships to Albury/Wodonga and thank Wodonga Water Polo club for hosting us over two very jam-packed days of water polo. Polo by the Pier was again held in Portsea, and we thank Old Melburnians for organising and hosting this event.

May saw our Men's and Women's country teams head to the Gold Coast for the Australian Country Championships. Both teams played well throughout the tournament, and we hosted the East Coast Challenge Tournament, as a warmup for 15U National State Championships. We hosted teams from Queensland, NSW, ACT and Victoria. With several players from Tasmania also in attendance.

There are many people who make our competitions possible. Firstly, to all of the players and the parents of junior players, thank you for your willingness to participate and the positive attitudes observed around the pool deck.

To David Smyth, thank you for coordinating the Pool Controllers and Referees. To Daniel Flahive, we are lucky to have you in Victoria, thank you for being so generous with your time. To our growing group of pool controllers and referees, our competitions would not be possible without you. To the management and staff at MSAC, Hawthorn Aquatic Centre, Camberwell Grammar, Kardina Aquatic Centre, Caulfield Grammar School and Melbourne Girls Grammar, your flexibility and support on competition days is greatly appreciated.

Finally, to my colleagues Simon and Regan, thank you for the support you continue to provide me daily.

**Perri Randall**  
(Competitions Manager)

# 2023 WINTER COMPETITION RESULTS

Pavle Macic (Melb Coll)  
Daniel Magasanik (Melb Coll)  
Nicholas Mordes (Melb Coll)  
Oliver Purcell (Melb Coll)  
Harrison Teague (Melb Coll)

# REFEREES REPORT

## General

During the 2023/24 period WPV held:

- The completion of the 2023-24 State Championships that ran from October 2023 to March 2024
- The Winter competition
- The 2024 Senior Summer State League returning to the traditional dates of July to December.

## Current Referee numbers

The referees available for these competitions currently number 40, this number is down from the 63 last year. The reduced number is the removal of those who have not refereed for some years and realistically could not be called upon to once again help out as the game's rules and interpretations have moved on so much in the last 3-4 years.

Of the 40 active referees able to officiate at Senior Club games, 14 of these are new to this level of officiating. All but two of these 14 have moved up from refereeing only junior games in previous seasons. This reflects very favourably on the mentoring program that we have been able to set up with senior referees being paid to provide verbal and written feedback to developing referees.

## Referee Mentors

These roles were created late last year and have been a significant addition to the development of our referees.

These are generally taken from the senior WPV referee ranks and are mostly appointed to Thursday evening and Sunday games. The current list includes: Danny Flahive, Alby Morrison, David Smyth, Matthew Lea, James Calabro, Olivia Hallam, Gareth Lewis and Javier Oh. They are now a recognised feature of Sunday Junior games.

## Junior Referee Development

Development opportunities have widened to some extent at the national level for our younger referees.

During the 2023-24 period, we had regular opportunities for promising junior referees to perform at national competitions. These included:

- a. The WPV June/July 2023 East Coast Challenge in Melbourne
- b. The July 2023 WPA 13'S Development Carnival in Hobart
- c. The September 2023 WPA NSCs for 15&U and 17&U held in Melbourne and Sydney
- d. The December 2023 WP 19&U NSCs held in Melbourne and Sydney
- e. The January 2024 WPA AYC in Brisbane
- f. The WPV June/July 2024 East Coast Challenge in Melbourne

Across 2023-24 WPV had a number of referees and Delegates attend the two first annual WPA 13&Under National Development Carnivals in Hobart early July. These included: Danny Flahive, David Smyth, Olivia Hallam, Karly Flahive, Lillian Currie, Will Watkins and Indy Nay.

With the now annual WPA underage National State Championships, there are more chances for our referees to experience higher level competition. At the 15&Under, 17&Under and 19&Under NSCs over 2023-24, WPV attending referees or Delegates were: Danny Flahive, Alby Morrison, David Smyth, Michael McNeill, Olivia Hallam, Karly Flahive, James Calabro and Indy Nay.

The Brisbane AYC in January 2024 had a number of WPV Referees attending as referees or Delegates:

- Danny Flahive
- Alby Morrison
- Garry Rydberg
- Michael McNeill
- David Smyth
- Olivia Hallam
- William Ness

- James Calabro
- Koebe Nay
- Patrick Healy

The recently begun 2024-25 Junior Summer Competition has seen a big increase in junior referees having opportunities to improve. There are around 20 games over 5 hours or so where developing referees can be mentored both by their more experienced peers and the senior Referee Mentors mentioned previously.

This group of developing young referees are well into their second or third seasons and includes:

- Mitchell Bohan (DVE)
- Zach Osland (DVE)
- Lillian Curry (Geelong)
- Harry Talbot (Geelong)
- Caroline Healy (MC)
- Koebe Nay (Monash)
- Niquita Barry (NYP)
- Darcy Lea (Richmond)
- Will Watkins (Richmond)
- Eric Nilsson (Richmond)
- Josh Holtz (Richmond)

This season, the following newer referees have begun refereeing, either within their club practice games or at the State Junior competition on Sundays:

- Hugo Hennessy (MC)
- Anthony Briganti (MC)
- Leo Briganti (MC)
- Anthony Rigopoulos (MC)
- Isaac Korbel (Monash)
- Lisa Francis (Monash)
- John Symonds (Northcote)
- Nanai Carletti (Richmond)
- Tully Houlihan (Richmond)

So, we same as last year we have around 20 active and developing younger referees.

### David Smyth

(Referee Coordinator)

## WATER POLO VICTORIA INCORPORATED FOR THE YEAR ENDED 30 JUNE 2024

### Committee's Report

Your committee members submit the financial report of Water Polo Victoria Incorporated for the financial year ended 30<sup>th</sup> June 2024.

### Committee Members

The names of the committee members throughout the year and at the date of this report are:

Committee Member	Position	Date Started	Date Ceased
Dr Tom Janoshalmi	President	12/12/2022	
Vacant	Secretary		
Daniel Flahive	Committee Member	13/11/2018	
Kai-Yang Goh	Committee Member	10/11/2020	
Gareth Hunter	Committee Member	08/10/2019	04/12/2023
Jodie Potts	Committee Member	10/11/2020	04/12/2023
Gianluca Rossi	Committee Member	07/12/2022	04/12/2023
Rebecca Talbot	Committee Member	10/11/2020	04/12/2023
Chloe Lim	Committee Member	12/12/2022	
Kate Healy	Committee Member	16/01/2023	
Nikki Burger	Committee Member	23/02/2024	

### Meetings Committee Members

During the financial year, a number of committee meetings were held. Attendances by each of the committee members during the year were as follows:

Committee Member	Number Eligible to Attend	Number Attended
Dr Tom Janoshalmi	11	10
Daniel Flahive	11	11
Kai-Yang Goh	11	10
Gareth Hunter	5	2
Jodie Potts	5	4
Gianluca Rossi	5	5
Rebecca Talbot	5	5
Chloe Lim	11	10
Kate Healy	11	10
Nicky Burger	4	3

### Principal Activities

State Sporting Organisation responsible for the management and governance of the Victorian Water Polo competition including club fee management, athlete registration and all other administrative tasks.

### Significant Changes

No significant change in the nature of these activities occurred during the year.

# **Committee's Report**

**WATER POLO VICTORIA INCORPORATED**  
**FOR THE YEAR ENDED 30 JUNE 2024**

## **Committee's Report (cont.)**

### **Operating Result**

The loss for the 2024 financial year amounted to \$39,107.09 (2023 loss \$41,430.03).

### **Going Concern**

This financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and the realisation of assets and settlements of liabilities on the ordinary course of business. The ability of the association to continue to operate as a going concern is dependent upon the ability of the association to generate sufficient cashflows from operations to meet its liabilities. The members of the association believe that the going concern assumption is appropriate.

Signed in accordance with a resolution of the members of the committee on:

Tom Janoshalmi (President)

Date 11/10/2024

Kai-Yang Goh (Director)

Date 9 November 2024

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

---

*Note 1. Statement of significant accounting policies*

1. Statement of significant accounting policies

a) Statement of compliance

The committee has determined that the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. The financial report is a special purpose financial report which has been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

These financial statements have been prepared in accordance with following Australian Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1031	Materiality
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures

b) Basis of measurement

The financial statements have been prepared on an accrual basis and are based on historical cost and do not take into account changing money values except where specifically stated.

c) Plant & Equipment

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

d) Impairment of Assets

At each reporting date the committee assesses whether there is objective evidence that a financial instrument has been impaired. If any such indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

e) Income tax

The association is a not-for-profit organisation and is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

**WATER POLO VICTORIA INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2024**

---

f) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits, held at call with banks, other short-term highly liquid investments with original maturities cash within three months.

g) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

h) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of an asset or as part of an item of expense. Receivables and payables are stated inclusive of GST.

i) Trade creditors and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days on recognition of the liability.

j) Employee provisions

Provision is made for the associations liability for employee benefits arising from services rendered by the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

**Independent Auditor's Report**  
**WATER POLO VICTORIA INCORPORATED**  
**For the year ended 30 June 2024**

**Independent Auditors Report to the members of the Association**

I have audited the financial report of Water Polo Vitoria Inc (the association), which comprises balance sheet as at 30 June 2024, and the income statement, statement of changes in equity and statement of cash flows for the year ended and notes to the financial statements, including a summary of significant accounting policies and statement by members of the committee

In our opinion, the accompanying financial report gives a true and fair view of the Association's financial position as at 30 June 2024 and of its financial performance and its cash flows for the year then ended in accordance with the requirements prescribed by the *Associations Incorporation Reform Act 2012*.

**Basis for Opinion**

I have conducted my audit in accordance with Australian Auditing Standards. My responsibility under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standard's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Emphasis of Matter – basis of accounting**

I draw attention to Note 1 to the financial report, which describes the basis of the accounting. The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities under the *Associations Incorporation Reform Act 2012*. As a result, the financial statements may not be suitable for another purpose. My opinion is not modified in respect of this matter.

## **Responsibilities of Committee and those charged with governance for the financial report**

The committee of the Association is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Reform Act 2012* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Association or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

## **Auditor's responsibility for the audit of the financial report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on the basis of this financial report

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:  
<http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
